BETTER. BRIGHTER. TOGETHER.

ABOUT CHURCH LEADER MAGAZINE

Church Leader Magazine exists to inspire and equip church leaders to lead better, brighter, and together. We deliver encouraging, biblically grounded content through a modern, dynamic lens—supporting leaders as they navigate the joys and challenges of ministry.

THE ROLE

We're looking for a creative and detail-oriented volunteer Graphic Designer to help bring our content to life across print and digital formats. You'll work closely with editors and writers to visually communicate stories that uplift and empower church leaders in the UK and beyond.

KEY RESPONSIBILITIES

- Design engaging layouts for our print magazine using existing templates and brand elements.
- Create graphics, colour blocks, and image treatments for digital articles, social media, and email campaigns.
- Ensure all visuals align with our established brand identity, tone, and colour palette.
- Apply modern and clean design principles.

WHAT WE'RE LOOKING FOR

- A keen eye for detail, layout, and contemporary design.
- Proficiency in Adobe InDesign, Illustrator, Photoshop, or equivalent design tools.
- Familiarity with editorial or publication design (print experience is a plus).
- A collaborative approach, willing to work with editors and writers to achieve visual harmony.
- Passion for the Church and an understanding of our mission and tone: warm, modern, theologically grounded, and accessible.

WHY VOLUNTEER WITH US?

- Contribute your creative skills to a mission that equips and encourages church leaders.
- Gain experience in faith-based editorial design with a professional, high-quality magazine.
- Be part of a team that values collaboration, innovation, and community.
